FANTASY LASH ART CRITERIA/ POINTS		
OVERALL LOOK	Maximum 10 points	This will be how you have created a full fantasy look from head to toe, how does the overall fantasy look? Is the look all theatrical and fantasy? Pay attention to detail, we are looking at the most fantasy look, from head to toe.
THEME	Maximum 10 points	This will cover how well you have kept the theme, and how you have created your own version of the theme in a fantasy look.
CREATIVITY	Maximum 10 points	How have you made a theme into fantasy, what have you used to make it look different and unusual with lots of creativity.
LASH DESIGN	Maximum 10 points	Lash design is your first base of volume lashes. You must create volume lashes, this is done anytime before the competition. Don't forget to create a design with your lashes, try to avoid using black lashes, be creative with your colours and your designs. Look at how different you can make your volume lash look. All entries must have volume or classic lashes as a base
LASH DECORATION	Maximum 10 points	Don't forget to decorate your lashes with lash art, the more you put on the higher the points. We are expecting to see magnificent decoration on the lashes, you can use a lash strip in addition to decorating the lashes, you can make all the decorations before the competition. You will receive higher points if you have lash decoration that connects to the hair , from lashes to hair.
TYPE OF LASH:	Maximum 5 points Maximum 10 points	Classic Lashes Volume Lashes (If you apply volume lashes, you will receive hight points than classic)

FANTASY LASH ART CRITERIA/ POINTS		
LOWER LASHES	Maximum 5 points	Don't forget to add lashes and decoration to the lower lashes for more points. At this level we want to see lower lashes extensions and design along with decoration.
HAIR DESIGN & DECORATION	Maximum 5 points	Remember that you are creating fantasy, so do something different with the hair, the more outrageous the more points. This criteria points will also cover, hair design or handmade head piece.
MAKE UP (FACE)	Maximum 5 points	You don't need to be a makeup artist but just remember this is fantasy, so try to be creative, instead of plain everyday makeup do something different that goes with your theme.
CLEANLINESS	Maximum 5 points	Try and keep the look clean from glue marks, you will not be judged on stickies but you will be judged on a messy look.
BODY MAKEUP & BODY PAINTING	Maximum 5 points	If you have added any colour to the skin to complement your theme , you will receive higher points. You do not have to be a makeup or body painting artist, we are not looking at full body painting only small parts of colour on the face and body. For instance you can paint a necklace or bracelet and colour this in, this is classed as body painting. If you add some body paint you will receive more points than someone that has not added this criteria.

This category's photos must be untouched and no background added to the images.
